

Coronavirus – Progress Theatre Public Statement

In order to keep our patrons and members safe we would ask you to follow the following guidelines.

- Please ensure you undertake regular handwashing, dispose of used tissues and where possible place your own food & drink rubbish in the bin. Progress Theatre provides hand sanitiser and hand washing facilities for you.
- If you have recently travelled to a [Category 1 area](#): Travellers should self-isolate, even if asymptomatic, and call NHS 111 to inform of recent travel. Go home or to your destination and then self isolate. **Please do not visit Progress Theatre if you have recently returned from one of these areas.**
- If you have recently travelled to a [Category 2 area](#): Travellers do not need to undertake any special measures, but if they develop symptoms they should self-isolate and call NHS 111. **We welcome you to Progress Theatre if you are symptom free.**
- If you become ill with Coronavirus symptoms while at Progress Theatre, please tell one of our stewards immediately, but try to stay at least 2 metres away from other people. We will ask you to isolate yourself in a private room, and contact NHS 111 for advice. Try to avoid touching surfaces.
- Symptoms to look out for are: a cough, high temperature and shortness of breath.
- The current advice from Public Health England is that these symptoms are unlikely to be Coronavirus unless you have been in direct contact with someone with the virus, or you have visited an affected country.

We thank you for your co-operation, and look forward to continue to provide you with high-quality theatre during this time. Progress Theatre is a place of positivity and productivity, and we are grateful for your support in keeping our community safe.

Please address any questions to chair@progresstheatre.co.uk

This statement is updated regularly in line with advice from Public Health England.
